

A top-down view of various Stenger wafers on a dark grey slate background. The wafers include a large heart, a smaller heart, a round one, and a cone. Two long, thin wafers with brown and white diagonal stripes are also present. Decorative elements include clusters of small purple flowers, a few dark blueberries, and a small bowl of blueberries. A white line drawing of an ice cream cone is on the right. The Stenger logo is in a red oval at the top.
